

Parents of Snead State Dual Enrollment Students:

Please make sure your students are checking their OneACCS accounts and Snead State Student E-mail accounts (instructions provided below). There has been a lot of information from Snead sent out regarding Parsons Book Plus. Remember the Dual Enrollment Scholarship only covers the tuition and fees for 1 class. Books and supplies are the responsibility of the student. OneACCS is where students register and/or drop classes, see schedules, see account balances, pay any tuition or fees owed, and locate grades and transcripts. Remember once classes begin students should never drop a class without speaking to a high school counselor. Dropping a class can affect any future college enrollment and GPA.

*while funding lasts

Email DE@snead.edu for all Dual Enrollment questions.

SNEAD STATE COMMUNITY COLLEGE
CELEBRATING 125 YEARS

The graphic features a blue background with yellow polka dots. It includes a photo of two female students in blue graduation gowns and caps. The text is in white and yellow, with a yellow banner for the semester. The bottom of the graphic features the Snead State Community College logo and a banner celebrating 125 years.

Students can opt-out of the Parsons BooksPlus Charge (directions provided below). If a book is not required or only the Proctor U fee is required then a student should definitely opt-out. If a book is required, then participating in Parsons Book Plus can simplify the process. Students need to check their Snead State email for a message that asks them to decide how to receive their books. A student can opt-out and just physically go to the bookstore and purchase books on their own. Again, emails have been sent to students in Snead State Student email with a link that can quickly show if a book is or is not required. To speak to someone at the Snead State Bookstore call 256-593-1861.

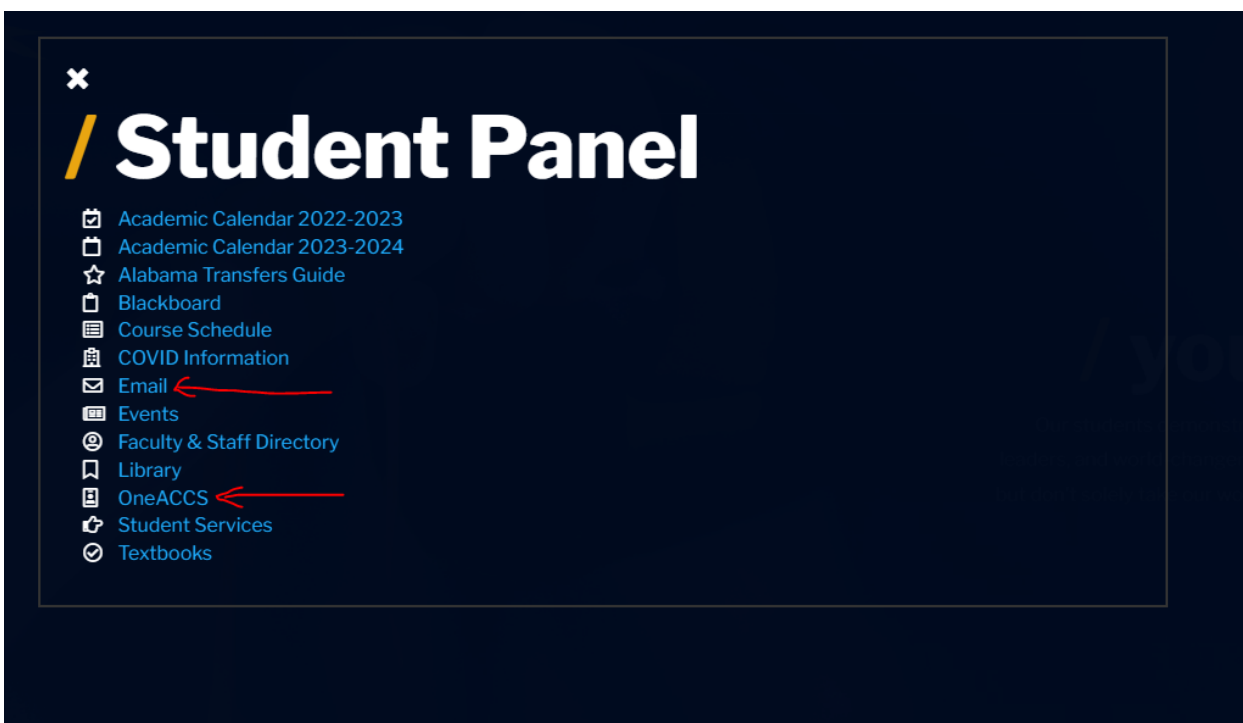

To get to the Student Panel for OneACCS or Student Email click on the Graduate icon on the left at snead.edu

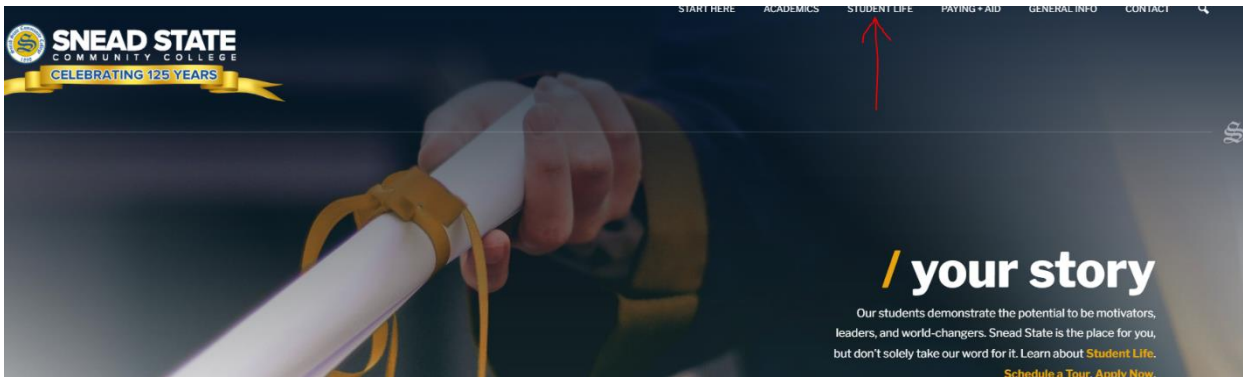

Choose either the Email or OneACCS – the username and password is the same for both.

Username: You must use your **Snead State email address** as your username. Your email address is your full student number (AXXXXXXXXX@snead.edu).

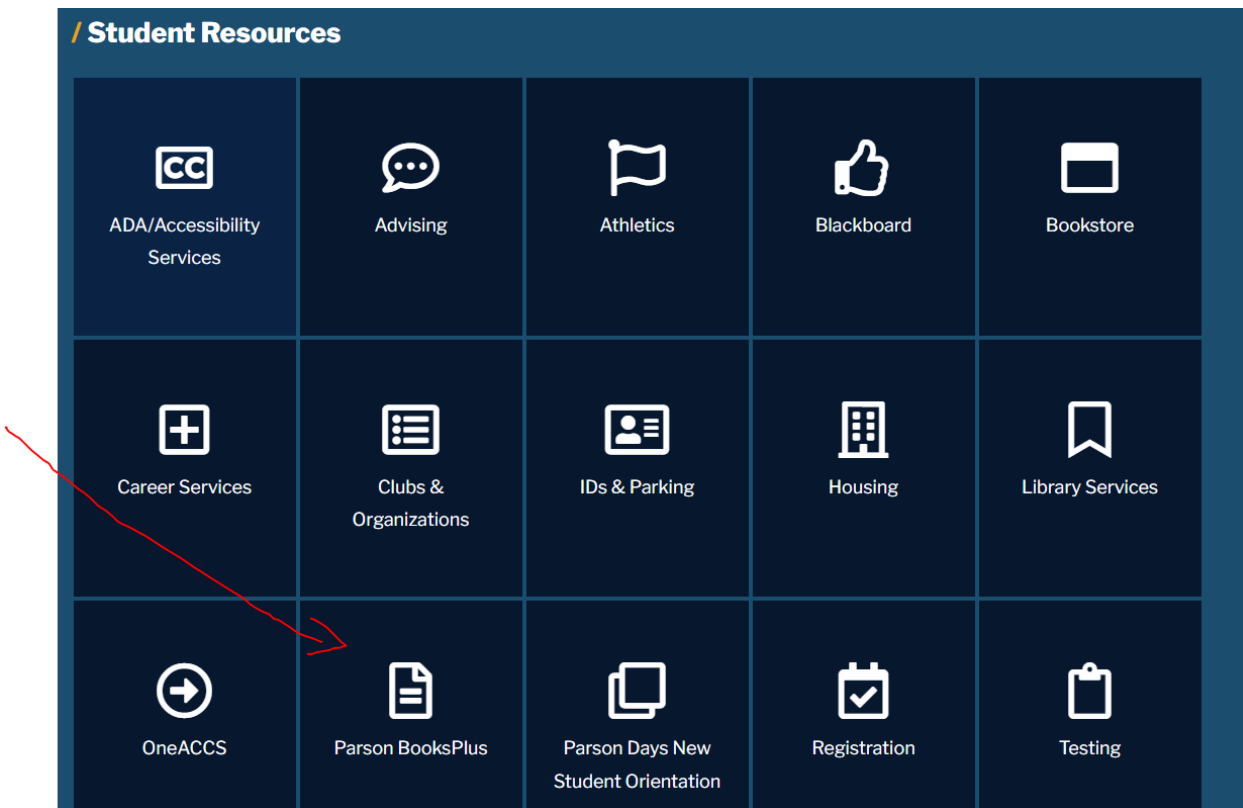

Password: Your password is !SNEADmmddyy with the mmddyy being your birthdate. *Be sure to include the exclamation point.

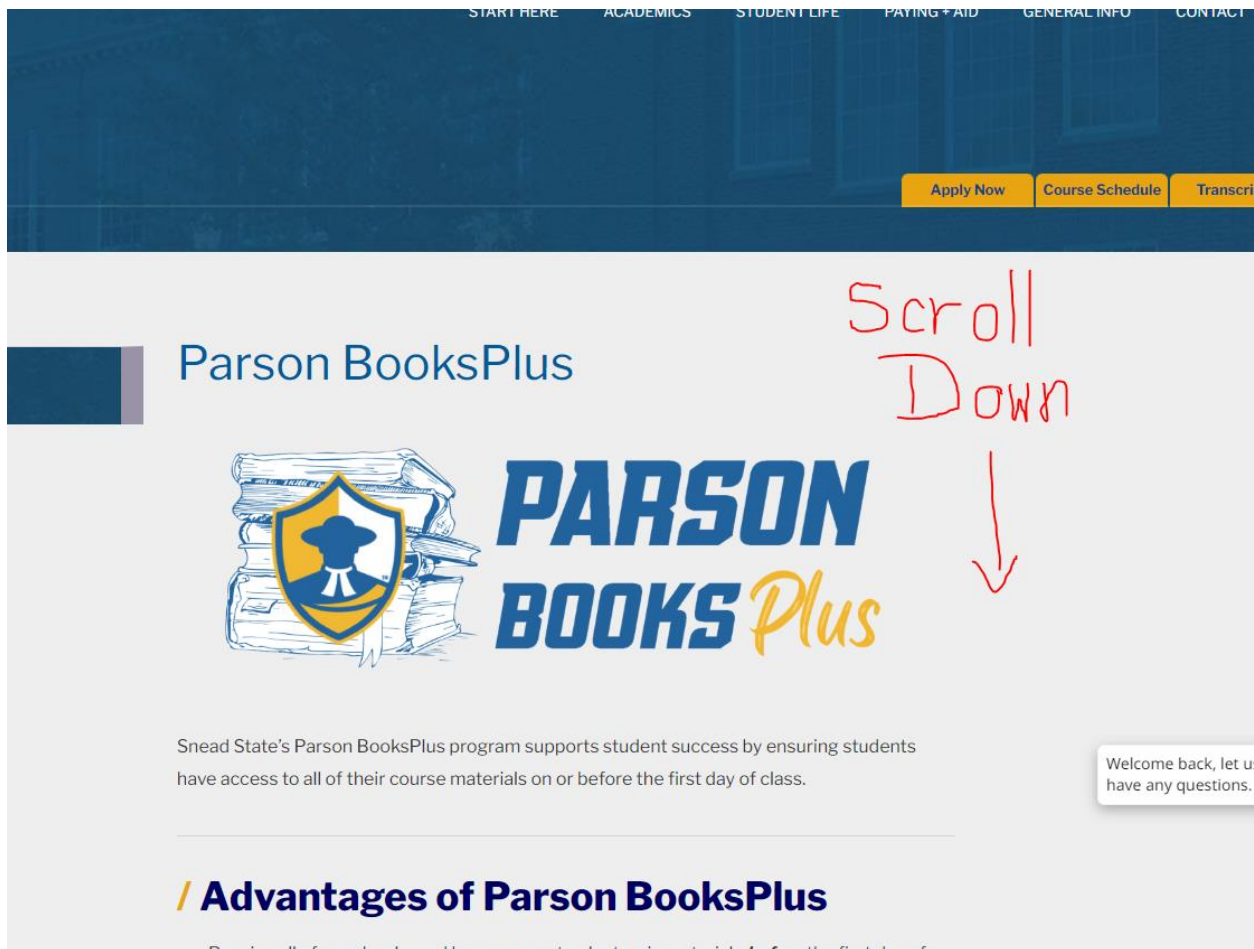

To opt-out of Parsons BooksPlus click on the Student Life link at the top of the page at snead.edu

Scroll down until you find the Student Resources boxes and click on Parson BooksPlus

Scroll down until you find the Frequently Asked Questions and click on the **Can I opt-out of the program link**.

Once you click on the link, you will click on the blue opt-out link in the middle of the paragraph (see below). That will take you to a login screen (see below) and it is the same username and password as OneACCS and Student E-mail. This should then have you at a screen where you can scroll all the way to the bottom and find an opt-out option (sorry this screenshot is not available without actually being in a student account).

While Parson BooksPlus provides convenient and affordable access to all required course materials, students have the option to **opt-out** of this program for every class each semester. Students who opt-out will need to obtain their required textbooks, lab manuals, access codes, and digital materials. Required materials can be viewed on the [bookstore website](#).

PLEASE NOTE: Students are automatically enrolled in the program each semester, so students wishing to opt out of the program will need to do so each semester.
